OpenText Gupta Report Builder

Release Notes

6.3.10

Product Released: 2018-06-15

Release Notes Revised: 2018-06-20

Contents

1   Introduction

These Release Notes provide an overview of Report Builder 6.3.10, including new features, delivery information, and supported platforms. OpenText recommends that you read these Release Notes in conjunction with the documentation included with the software package. If any conflicts exist, the Release Notes supersede the other documentation.

We also recommend that you check OpenText My Support (https://support.opentext.com) for any patches or documentation updates that may have been posted after the initial release of this product.

1.1   Release Notes revision history

Revision date	Sections revised	Description of revisions
2017-07-11	First release.	All new content.

Report Builder 6.3.10 Release Notes

UI = user interface only

B = both user interface and online help

5 Installation and upgrade notes

This section provides additional installation and upgrade information, including related or third-party product information and any required critical patches.

5.1 Installation notes

Before you install Report Builder, review these additional installation notes and verify related product or third-party product requirements.

- The installer will automatically detect existing installations and will update them. If no existing installation is available a full install will be performed.
- Your existing Team Developer 6.3 PMC keys continue to work.
